Information for clubs wishing to affiliate with CACTMC

Any motoring enthusiasts' club in the ACT region, is eligible to join the Council of ACT Motor Clubs.

The Council of ACT Motor Clubs has reviewed its By-laws concerning new applications for affiliation and have made the following amendments:

From 1 January 2021, Applicants for affiliation with Council must have, if based in the ACT, a minimum of five members, or if based in NSW ten members.

Also the applicant club must be incorporated in either the ACT or NSW, where ever the club is based.

Membership does not guarantee access to concessional registration as ACT and NSW government regulations and rules apply. Furthermore participation in Council activities for a period of at least six months is required before affiliates can apply for access to

the CRS which requires Council approval.

Applications for membership must include the following items:

- A copy of the relevant Certificate of Incorporation
- A copy of the Club's Constitution
- A list of the Club's executive committee, including names, addresses, email address and contact numbers
- A copy of the Minutes of the general meeting authorising the club to join Council – this must include a list of the members present at the meeting.
- A written statement of the type of activities to be conducted by the club
- A statement that the club will abide by the Council's Constitution.
