Council Communique

June 2021

60 day usage scheme introduction delayed

The 60-day usage and modified vehicle scheme introduction has been delayed until the fourth quarter of 2021.

The delay has been necessary due to some administrative concerns raised.

The logbook –based scheme allows owners of vehicles of 30 plus years old to use their registered vehicles for 60 days in any one registration year. The ACT scheme is like other 60-day usage schemes operating in other states.

The Council will disseminate the details and procedures as soon as possible to enable clubs to inform and see an orderly introduction.

CACTMC Affiliations due by 30 June

All clubs affiliated with the Council of ACT Motor Clubs are required to renew their affiliation by 30 June 2021.

Annual affiliation requires the submission of an affiliation form (detailing the Club's nominated Council liaison officers) and payment of the affiliation fee. If applicable, a current Authorised Club Signatories form and a current list of the Club's endorsed concessionally registered vehicles (ACT & NSW) is also required.

The 2021 affiliation pack can be downloaded from the Council website: <https://cactm.org.au/docs/CACTMC-ANNUAL-AFFILIATION -PACK-21-22.pdf>

Note if a Club fails to affiliate by 30 June 2021 then the Club's members vehicles that are endorsed for Concessional Registration by

that Club may be deemed unregistered and therefore should not be used on public roads - until re-affiliation is effected.

New Home for the Canberra Pie Cart

The Canberra Pie Cart is now in its new home at Weston Park, Mini Railway precinct.

The home for the Pie Cart is a gazebo type structure with protective roof and hard stand floor. The area is secured at night, but visible during the daytime when passed by the miniature railway carriages.

Council president, Richard Jackson, said “the new site will make it easier for the 1939 Chevrolet van to be accessed when the vehicle is required to attend displays and other events.”

“We should like to thank Jason Perkins for allowing Council to construct the building and making a secure place for the Canberra icon to be stored.”

The van was restored by Canberra car club members and students of the then Copland College, over a three year period.

Since completion of its restoration in 2003 it has had a number of homes, manly in people’s private homes, but its move to Weston Park will enable people to see the grand old lady in all her glory.

The vehicle is available for use by CACTMC’s Affiliated Clubs for display or car shows on very favourable terms. Clubs interested is using the vehicle should contact the: secretary@CACTMC.org.au

Call for donations

The owners of Penrite Oil, John and Margaret Dymonds’s car collection is moving to a purpose-built accommodation and the call has come out for some items that would highlight different vehicle and local racetracks across Australia. People who have items for donation should contact Jarrod Harding: jharding@penriteoil.com.au
