### **Details of the 2020 AHMF National Motoring Tour announced**

The Australian Historic Motoring Federation has announced details of the 2020 AHMF National Tour.

Tour headquarters will be centred on the Albury/Wodonga area from Saturday 28 March to 4 April 2020.

This Tour will be the first national tour since the successful Canberra based tour held in 2001.

Venues have been selected and daily tours are well into the planning stage.

State and Territory Councils affiliated with AHMF are developing routes and itineraries to get entrants to Albury/Wodonga.

On arrival at the tour headquarters entrants will be invited to attend a cocktail welcome evening and open day, vehicle displays and a week of touring days around the region, concluding with a gala farewell dinner will form part of the program.

The tour is being promoted internationally and is open to all historic vehicles who are welcome and encouraged to attend.

There will be routes to suit vehicles of all eras – veteran, vintage, classic, motorcycles, tractors, steamrollers, stationery machinery, lady drivers and historic caravans.

Further information will be made available as it comes to hand.

The Council of ACT Motor Clubs is seeking

### OurCarClub.com

As most of you may have heard we have started to implement the OurCarClub Management system in which all affiliated club's information will be stored. The system will have access restricted to 3-4 committee members only. It will mean that all records will be in one spot and importantly make transition easier from one committee to the next. One of its great benefits is a bulk email facility that will allow you to receive both agenda and minutes much earlier than currently happens. Like all these things it is taking longer than expected but we are getting there. Making sure that the base information is accurate has proved slow going.

### Notice of Annual General Meeting

The Council of ACT Motor Club's Annual General Meeting will be held on Thursday 21 September 2017 at the Raiders Club Weston.

Formal notification have been sent to all affiliates.

The Council has a number of positions which will be vacant . If you would like to nominate for a position on the committee please advise President Mark Saunders before the AGM.
