“The only historic race meeting in the world that caters exclusively cars and bikes from before the early Sixties era”

1. Welcome to our second Newsletter for our 2019 event—a unique experience in New South Wales and beyond. Most will not experience what our event offers: motor sport on two, three , and four wheels for vehicles roughly pre-1962: where else will you find a community of respectful, cheery, like-minded enthusiasts competing on and in vehicles over 60 years old? A unique event not to be missed. A unique event which happens only once a year, and on a circuit made for the job.
2. Racing happened in Goulburn long ago, and has continued for well over 100 years. This pic shows Geoff Meredith’s Bugatti in 1927 at Goulburn Showground winning an event called the “Australian Grand Prix”. Goulburn’s first motorcycle club, founded 1911, Wayne Adams’

fascinating book “The Racing Boys” documenting just some of those activities—including various roles of champion Dave Brewster (who at one time owned a motorcycle shop in Auburn St., Goulburn—to which New Zealand family-encumbered traveller Burt Munro (“World’s Fastest Indian”) went for parts for his broken down motorbike one icy Goulburn night), related to one of our car competitor Malcolm David Brewster. Australian Grands Prix and Australian Tourist Trophy events (motorcycles) were run in Goulburn, from 1914.

3. Be part of that ongoing history. Come and join us at Wakefield Park. You and yours will be welcomed by this great community of great enthusiasts. It matters not where you come from or how far, you will be welcomed. Previously we have welcomed great enthusiasts from all over Australia to this great and unique event. If you do only one event a year, make this event the one.

4. Come out of “retirement”

Give your Dad a ride

Give your kids a drive

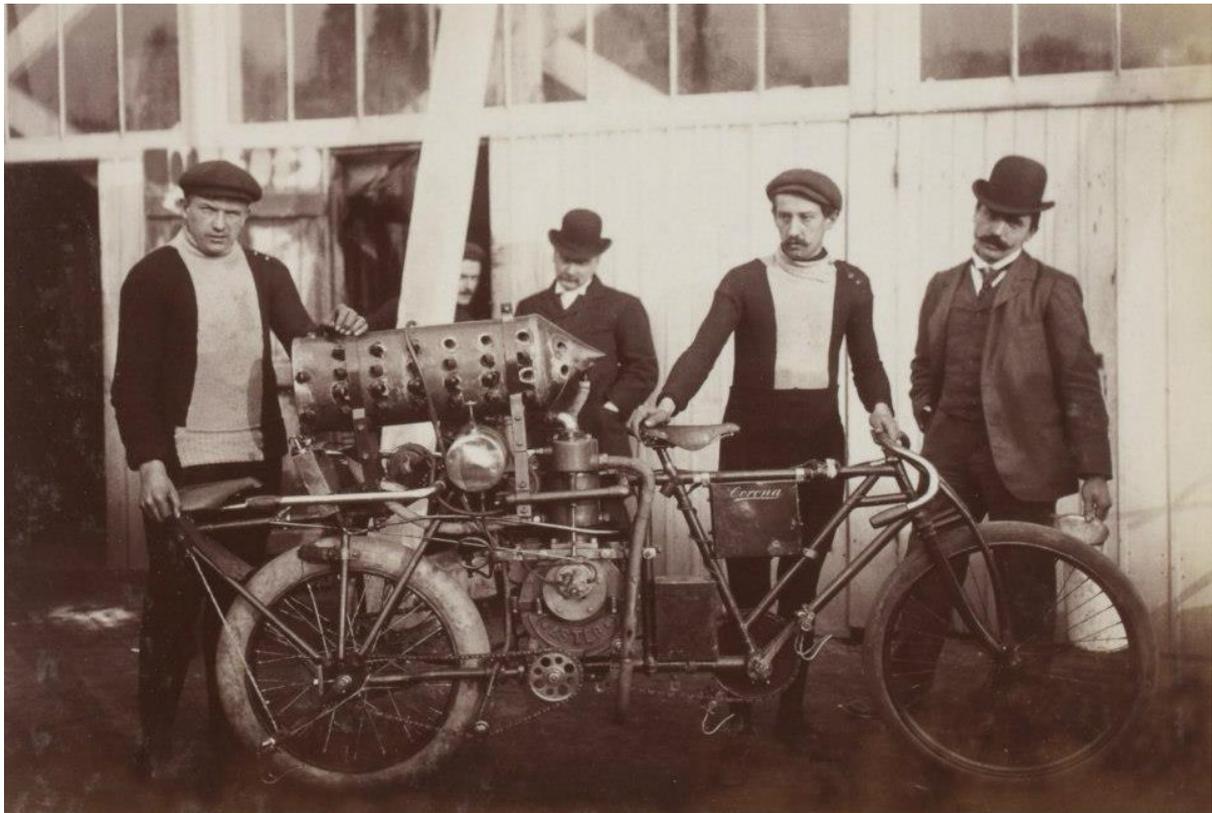

Eccentricity for the ageing is to be encouraged

5. As a welcome partner in our meeting, what can you do?.....
 1. Multiple copy and display the attached poster as widely as possible
 2. Get you and yours organized and ready to join us
 3. Publicize, publicize, publicize.
 4. Tell your family, your friends, your enemies—EVERYBODY!
 5. Tell your club, ensure this is on the club's calendar as an actionable weekend...
 6. Wait expectantly for your entry forms to arrive, and act promptly.

ONE MORE: some suggest this meeting might be in trouble-- lower entries, adverse comment, competition nearby in time/place. This, if true, is easily fixed by Every Single One of Us doing our bit and making our contribution to ensure that this unique occasion flourishes.

Love this 1901 Pic (all facial expressions treasured (including he who peeks out the door but dissociates himself!)) Bowler-hatted management? Flat caps for The Workers? Rider trepidation?!

Kind Regards. We look forward to seeing you with us at Wakefield Park in Spring 2019!
