# Classics at Kambri

---

Get up close and personal with an amazing array of classic cars and bikes at the inaugural 'Classics at Kambri' – the first event of its kind at the Kambri Precinct.

It's the perfect free Sunday family day out – an automotive heaven where visitors of all ages can soak up the nostalgia and learn about the diverse range of vehicles on display, courtesy of the members of the Council of ACT Motor Clubs.

To ensure you have plenty of energy to check out everything on offer, there's an eclectic mix of small cafes, shops and eateries in the Kambri Precinct open all day for you to enjoy.

And when it comes to your own car, the good news is that parking under the Precinct is FREE for three hours on the weekends.

Check the online program at [kambri.com.au](http://kambri.com.au) for more details.
